

Press Release

TTI Announces Appointment of Industry Veteran to Team

Newport Beach, CA. February 2, 2007-Trijay Technologies International, a provider of identification and biometric products, is proud to announce the appointment of Kevin Kelly as Director of Sales. Kelly joins TTI with more than 16 years of identification industry experience, spending the last six years with Polaroid Corporation as a Regional and National Channel Manager in the Commercial ID Systems division. Prior to Polaroid, Kelly was a Regional Manager for Bindery Systems, a provider of end-user identification solutions in the Pacific Northwest. Kelly, located in Oregon, will be responsible for channel development, and sales of TTI's diverse product line of identification and biometric products.

"We feel very fortunate that Kevin has joined TTI. I've known him for many years and his professionalism, industry knowledge, and overall enthusiasm has never failed to impress me. His broad experience in sales and channel management will fit perfectly into our plans for TTI", said Bob Carne, VP of Sales and Marketing for TTI. Kevin Kelly adds, "In today's ever increasing security conscience world, TTI is bringing to market an extremely exciting group of products, and I'm looking forward in helping to develop them in any manner I can. My decision to join TTI was an easy one to make. Their cutting edge products, services, and industry knowledge impressed me from the start".

Please visit TTI in booth #41027 at the ISC West show being held in Las Vegas ,3/28-30 at the Sands Convention Center.

About TTI

Providing solutions to central & local government, corporate, retail, and security industries, Trijay Technologies International Corp. (TTI) combines proven biometric systems and secure identification technologies to satisfy any needed specific requirements. From OEM fingerprint modules, access control and T&A systems to complete national smart card, border and port security control and e-passport schemes, TTI's capabilities cover conception and design to implementation and complete customer service. TTI delivers some of the most technological and reliable identity management solutions available in the industry today. TTI focuses on strategies that are designed to manage costs, increase quality, mitigate risk, improve business agility, and strengthen security.
